

We are going paper-free! Download the program on the FREE app EventsXD and search for the Sustainable Trails Conference (it will prompt you to sign up first)  
 Here you will find the program, speaker information, sponsors of the conference and more! Please refresh the conference app page regularly to ensure you have the latest updates.

For those using the conference bus, please refer to the attached PDF conference program for exact times and pick up locations – these details are also available on the conference app.

Delegates will need to arrange their own transport from the airport to and from their accommodation. Those on a field trip can be dropped back to their accommodation on the afternoon of the 4<sup>th</sup> or can store their bags on the field trip bus and be dropped to the airport.

The dress code for social functions is smart casual (don't forget your jacket as it is a cooler climate)

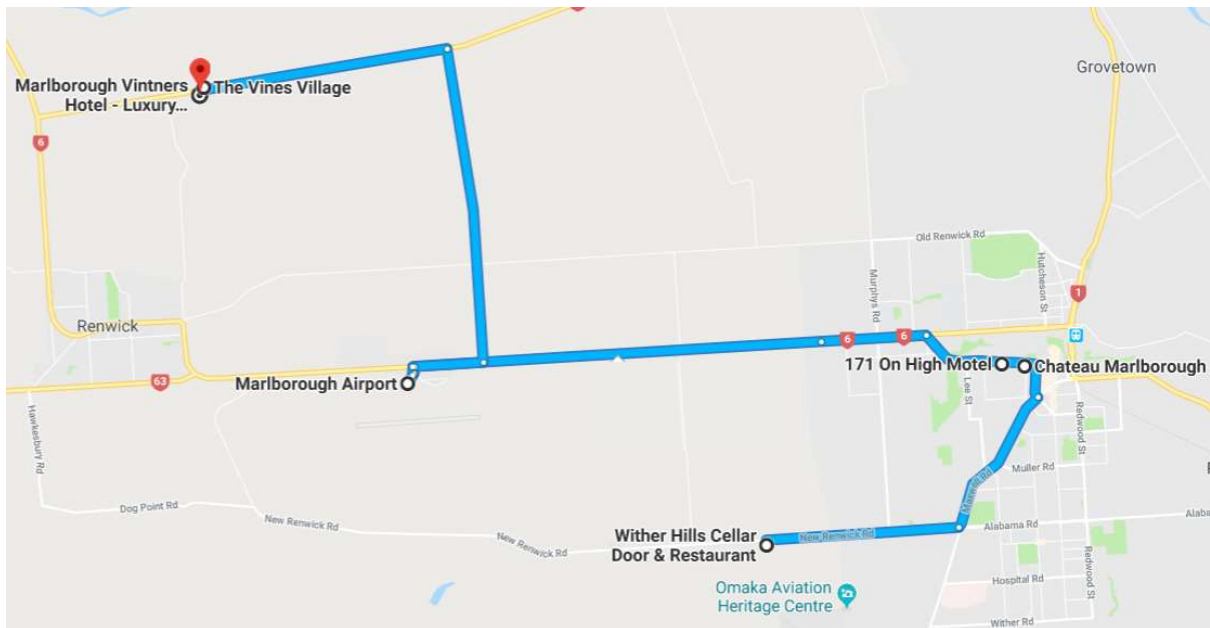

For those attending the field trip please bring appropriate clothes, closed in footwear, water bottle, hat, sunscreen, warm jacket or windbreaker.

Please review the conference program in particular the concurrent sessions – we will be asking you which concurrent session you will be attending on registration.

There will be a photo Competition! Tag #TRCTrails in any photos you take throughout the conference on social media and WIN!!

 Join our LinkedIn group - search "TRC Sustainable Trails Network"
